

Central Vermont Consultancy

5 *** Star Recommendation**

Chef Dante Brown

March 2025

Dante has been cooking for us numerous times each year since 2020. His work ethic, creativity and his concern for everyone's dietary needs are superb. His other positive attributes have helped create one of the best chefs in the state of Vermont. I would highly recommend Dante for any culinary jobs. We will personally be using his services in my Vermont home for family occasions.
