

## Referral for Dante

Dante is the chef from our Ski Club. He cooks for us every weekend in the winter and his meals are very delicious and creative. Having him as an integral part of the club over the years is very important to us and is an asset to the club. Having a chef to cook our meals definitely is a positive encouragement for new members who are considering joining our club.

Dante is easy to work with and he is very creative when it comes to satisfying all the many different diets of our members. His meals are delicious and he is always on time.

Thank you for all you do Dante!
